RECORDING PROGRAM

We make it easier for everyone to learn and practice their favourite songs. Improve voice quality, stage presentation or breath control in curated classes and sing film music like the professionals. Want to take it one step further? Our one of a kind platform allows you to record songs that are processed by our sound engineers. Learn to use DAWs and create upload ready videos.

CORPORATE PROGRAM

Music-based group activities can increase creativity, productiveness, and collaboration. Corporate Kutchery Program, experience workshops that unite employees through music. Our facilitated sing-alongs, talent recognition platforms and music therapy workshops bring about a sense of appreciation and community within employee groups.
